Richland Clay Target Team

by: Ava Aigner

This is Richland's third year having a clay target league. Richland's team currently has 22 shooters from grades 6-12. Many people help with this popular program including Mark Althoff, Larry Score, Billy Gauslow, Del Hoefs, Scott Adams, Robin Mogck, and Ethan Schmitt. A special thanks also goes out to all the parents who have helped with scoring this year.

This year's team members include Parker Crooks, Blaine Brewer, Frank Holzhey, Brock Hegseth, Bret Hegseth, Zach Ringdahl, Chase Schmitt, McKenzie Johnson, Gunnar Miller, Keagan Neppl, Hans Weinmann, Elliot

Beito, Adam Skoog, Blake Miller, Nick Mjones, Kaden Carlson, Megan Taszarek, Wade Gorder, Patrick Boyle, Alayna Schmitt, Sydney Loff, and Preston Schmit.

The first practice of the season was April 2nd and it was a cold one. Interest in the sport is continuing to grow and Richland's team welcomed seven new trap shooters this spring.

When asked about the season, Chase Schmitt said, "Trap has been cold this year, but that hasn't stopped us from having fun with our buddies. Trap is one of the best sports I've ever been in."

Junior High Track

by: Zach Wulfekuhle

The junior high track team had a great season. Tom Wulfekuhle coached the team this year. Tanner Zander, and Elliot Beito were the 8th graders on the team. Levi Ulven, Mikey Hopping, Cody Thompson, Nick Mjones, Nick Wulfekuhle, and Isabelle Viele were the 7th graders on the team. Some highlights of the season include runners greatly improving their times and throwers improving their distances. At the last meet, two individuals beat personal records in their events.

The cold weather was tough to battle and some meets were cancelled, but the improvements made this season were still remarkable! Coach Wulfekuhle is hopeful that more athletes will come out for track next year as it is a unique sport. "Track gives you time with friends and allows you to meet athletes from other schools in an environment unlike any other sport."

RHS Golf Team

by: Hanna Johnson

The golf team has also had a slow start to their "spring" season. The frigid weather inhibited their activities so they spent a lot of time practicing pitching and putting. After spending so much time indoors, the team traveled to New Rockford, Casselton, and Enderlin for meets. According to Coach Pool, the team has been working hard and is showing great improvement at each meet.

Team members: Levi Ulven, Mason Storbakken, Teddy Flaa, Adam Skoog, and Jack Ringdahl.

Baseball Team Earns #2 Region Seed

by: Hanna Johnson

The Kindred/Richland baseball team has had a successful season thus far. After a slow start due to this year's cold and snowy weather, the Vikings started the season strong with a big win (12-0) over Oakes. The team then lost a close game to Central Cass (4-2), but the Vikings stayed strong and went on to defeat Oak Grove (17-1) and Northern Cass (11-0)

The team ended their regular season with an 9-3 overall record. They are heading into the upcoming region tournament as the number two seed.

Richland has three players on the varsity baseball team this year: Carter Lingen, Trenton Dufner, and Blake Loomis.

Varsity Track

by: Cole Myers

The Richland varsity track and field team has had a wild season thus far. The weather is what has caused this chaos and the team has had a total of eight meets cancelled this spring! Snow and rain stayed little longer than expected which made practicing outside difficult.

Despite the challenges of mother nature, the Colts have been staying focused on the main goal of making it to the state track meet in Bismarck. The Southeast Region is loaded with great athletes participating in track once again, so the regional meet this year will be very competitive.

The Colts have two qualifiers for the state meet so far: Kennedy Flaa and Blake Loomis. Flaa cleared 5'1" in the high jump in Kindred and jumped 35' 4" in the triple jump at Concordia to punch her ticket to state. Loomis threw 46' 11" at Concordia to qualify in the shot put. Both of these athletes qualified to last year's state meet as well.

Several other athletes have a great shot at making it to state. According to Coach Nash, "Hunter Lentz and Cole Myers have a good chance in the mid distance races and our boys 3200 m relay team has a good chance as well."

There's only one meet left, but making it to state is still a possibility for many Richland athletes. Good luck in the rest of the season!

Team members: Hunter Lentz, Blake Loomis, Jett Foley, Colten Evanson, Gavin Reiland, Zachariah Ringdahl, Jacob Sahl, Cole Myers, Carson Anderson, Zach Wulfekuhle, Kaden Schroeder, Thomas Zander, Nate Mjones, Nick Thompson, Colten Mickelson, Drew Gunness, Bailey Adams, Kennedy Flaa, Tessa Smith, Gwen Hopping, and McKenzie Johnson

New Track Coach

by: Cole Myers

The Richland track and field team was led by a new face this spring, Mr. Don Nash. Coach Nash comes to us with a plethora of coaching experience including thirty-five years of track and field coaching. He has also coached both boys and girls basketball and baseball for many years.

After teaching for thirty-five years, Coach Nash retired from Lidgerwood last spring. Since then he has been keeping himself busy by substitute teaching, umpiring, and writing a book.

Although this is his first year as head track coach here, Coach Nash is no stranger to RHS. In fact, he was a Colt himself and graduated from Richland in 1972. While he was a student here at RHS, Coach Nash participated in football, basketball, track, speech, drama, paper staff, choir, and the Letterman's Club.

Coach Nash is married and his wife, Polly, teaches art at Oak Grove Elementary. She also referees volleyball and works as a painter and cartoonist. Coach Nash and his wife are proud parents of three children (Bruce, Brady, and Brock) and seven grandchildren.

When asked why he wanted to coach track at Richland, Coach Nash replied, "I know a lot of the kids from here and they are quality young men and women along with very good athletes. I wanted to help the Richland students have a track program."

In his spare time, Coach Nash likes to play sports, watch sports, and spend time with his grandkids.

Welcome back to RHS, Coach Nash!

RHS Musicians Shine at State Music Contest

by: Kaitlyn Wagner 

This year, the music department at Richland was very successful. The band and choir sent a total of 12 students to the state music competition held in Bismarck. These students included Dain Anderson, Trenton Dufner, Colten Evanson, Blake Loomis, Cole Myers, Gavin Reiland, Zach Ringdahl, Kariann Sahl, Chase Schmitt, Kaden Schroeder, Kaitlyn Wagner, and Zachary Wulfekuhle.

To start off the morning, Zachary and Trenton sang “Chariot’s Comin.” The performance went well and they received a 1, which is an “Excellent” rating. Next, Kaitlyn and Kariann played their flute duet called “Trumpet March.” It also received a 1. “Hello Mary Lou” was sung by Gavin, Trenton, Cole, Zachary, Kaden, Colten, and Blake. The judge had nothing but good things to say about this performance and gave it an Excellent rating. He even told the boys that they should enter the National Barber-shop Competition! The Brass Ensemble consisting of Zach, Zachary, Trenton, and Dain performed “Alleluja” and received another Excellent rating.

Zachary sang “The Daisies” to complete the busy day. He sang amazingly well and the judge told him he wanted him to keep singing because it was so good. The musically talented Wulfekuhle brought home the only star rating for Richland.

The day went well, but there was one slight downfall. The large group for band came expecting to perform “Forgotten Heroes.” Due to a miscommunication with the type of category the song fell under, the group was disqualified. However, the band will be performing this at the Night of the Arts for all to hear. Mr. Aamold was very proud of each and every one of the band and choir students.

Congratulations to everyone and a special congrats to Zachary!
